Scope of Programs

AOG Food Pantry

Our Food Pantry program experienced exponential growth in 2020. Initially averaging 40 households per week, we began serving an average of 400 households per week. Not only did our service numbers grow, but we also had a complete remodel of our food pantry to include commercial shelving, refrigerators and freezers. These updates could not have been possible without the generous support of our community partners and donors.

Our food pantry increased our food distribution by **72%** in 2020!

In 2020, we we're able to provide nutrition foods to over 5,500 individuals and families. Our strategic plan over the next two years is to service 1,000 households per week as well have a Mobile Food Pantry program that brings our food pantry to individuals that are experiencing transportation barriers.

Scope of Programs

Temporary Emergency Housing Program (TEHP)

The Temporary Transitional Housing Program (TEHP) was designed as a collaborative partnership with licensed Mental Health providers in the Tri-Cities area to address a need for stable housing and wrap around resources for homeless/displaced individuals experiencing a mental health crisis.

Over the past three years we have connected program participants experiencing mental health barriers to programs designed to assist in addressing their core needs and stabilizing their current condition.

TEHP provides temporary housing and case management support to program participants while they received mental health support from our community partners. Participants were also provided wrap around resources in preparation of their discharge such as food, employment and housing.

Over the next year our strategic plan in to expand TEHP to include a more holistic and person-centered approach through expanded collaboratory efforts and a longer duration of residential support.

163

Individuals connected to crisis support programs in 2020.

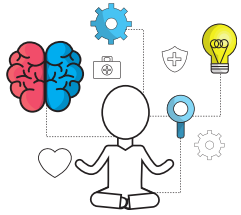

800

Days of safe housing through TEHP in 2020.

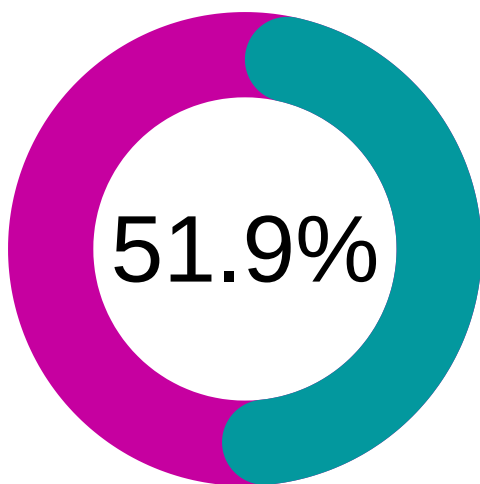

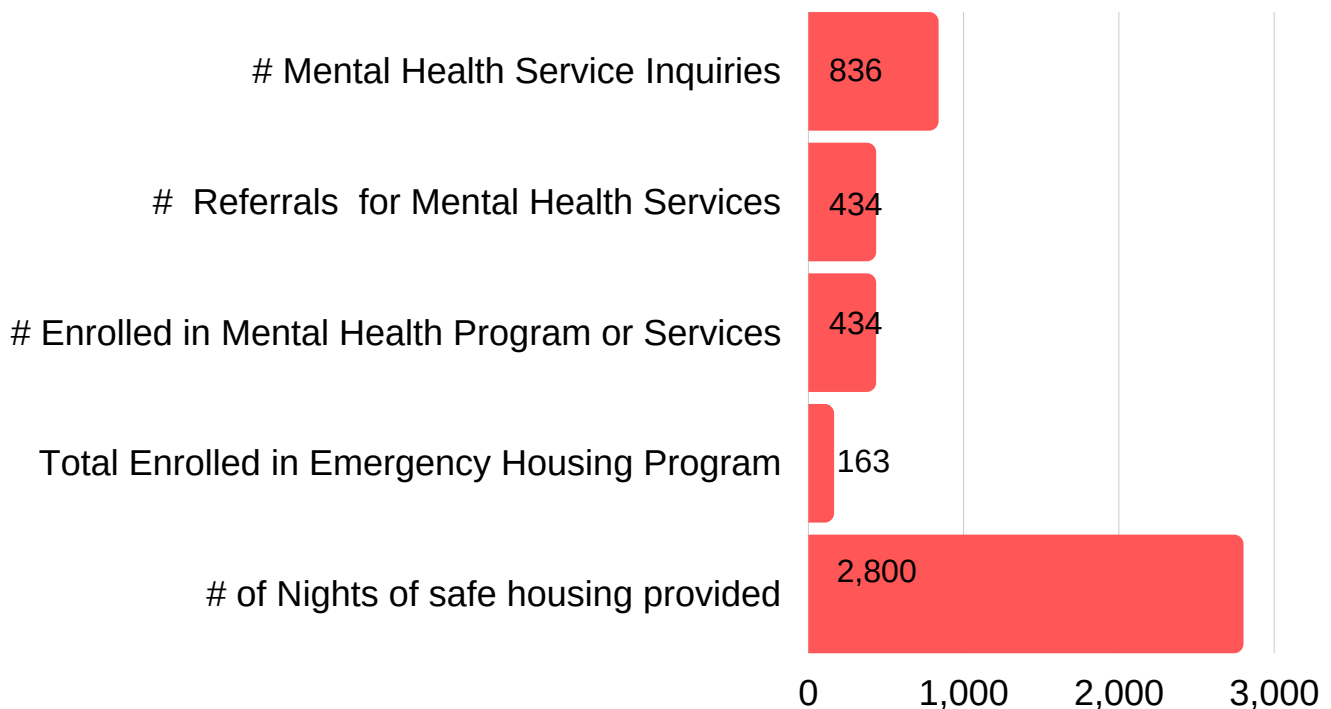

2,800

Nights of safe housing provided through TEHP since 2018.

Scope of Key Programs

Financial Literacy

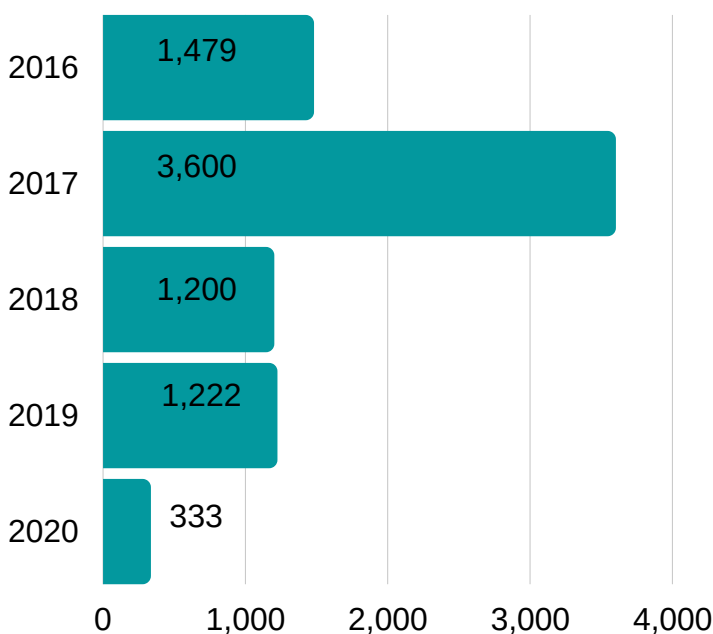

Our financial literacy programs were halted in the first quarter of 2020 due to the COVID-19 pandemic. We are working diligently to create an online program that is more accessible to those we serve. In the meantime, we have rerouted all individuals requesting financial literacy resources to other community partners for assistance.

T.A.P. (Transportation Assistance Program)

T.A.P. provides bus passes for vulnerable individuals that do not have a reliable means of transportation. Due to the COVID-19 Pandemic this program was terminated and funding was rerouted to support the increased need of our food pantry.

T.A.P provided over 7,800 bus passes over the course of 5 years and we are proud of the impact it has had in the lives of those that received support from the program.

**Total # of Bus Passes
Provided: 7,834**

Seasonal Initiatives

Holiday Helping Hands

Each year we provide holiday assistance to individuals and families that may otherwise go without. We This year our goal was to provide two-hundred (200) children with holiday gifts. This year with the overwhelming support of local business and individual supporters, we were able to provide gifts to over 700 children. We are overwhelmed by the outpour of support and look forward to an even bigger impact next year. Our goal is to provide toys to 1,000 children in 2021.

2021 Goal = 1,000 children
